## INTERTEX TUNISIA 2023 CAUGHT GREAT SUCCESS IN ITS **5TH EDITION**

Largest exhibition of textile industry of North Africa, Intertext Tunisia 2023, was organized for 5th time between 19 and 21 October 2023 at La Foire Internationale de Sousse, Tunisia with the unique and valuable support of FTTH ( Fédération Tunisienne du Textile et de l'Habillement). In this edition, Intertext Tunisia 2023 being bigger than its previous editions, has reached more than 6.000 professional buyers from 26 countries. 170 exhibitors from 17 countries showcased their strength in the textile industry in profitable Tunisian market.

Intertext Machinery 2023, took place simultaneously with Intertext Tunisia and brought together thousands of visitors in three days.

Key decision makers of the industry, specialists, manufacturers, agents, distributors, brands and retailers and other professionals caught the chance of doing business with sector leading exhibitors, expanding their network and making new contracts.
